Mary the Month of Our Lady

Mary It is a well-known devotion, to consecrate to most holy Mary the month of May, as the most beautiful and florescent month of the whole year. This devotion has long prevailed throughout Christendom; and it is common here in Rome, not only in private families, but as a public devotion in very many churches. Pope Pius VII, in order to animate all Christian people to the practice of a devotion so tender and agreeable to the most blessed Virgin, and calculated to be of such great spiritual benefit to themselves, granted, by a Rescript of the Segretaria of the Memorials, March 21, 1815 (kept in the Segretaria of his Eminence the Cardinal-Vicar), to all the faithful of the Catholic world, who either in public or in private should honour the Blessed Virgin with some special homage or devout prayers, or other virtuous practices.
