INSTRUCTION ON EASTER

What is the festival of Easter?

Easter, in Latin Pascha, signifies passing over, and has the following historical origin: Under Pharaoh, King of Egypt, the Jews in that country groaned under intolerable bondage. God had mercy on His people, and the hour of deliverance came. By His command the first-born of all the Egyptians was killed by an angel. The Jews had been ordered by God to be ready for emigration, but first to kill a lamb, eat it in their houses in common, and sprinkle the doorposts with its blood. And the angel of death, by order of God, passed the doors sprinkled with the blood of the lamb, and did no harm to any child of the Israelites, whilst he slew all the first-born sons of the Egyptians. In grateful memory of this passing their doors, the Jews observed the festival of Easter, the Pasch, or Passover. After the death of Jesus, the apostles introduced the same festival into the Church in grateful remembrance of the day on which Jesus, the true Easter Lamb, took away our sins by His blood, freed us from the angel of eternal death, and passed us over to the freedom of the children of God.

Where, during this time, was Christ's holy soul?

In Limbo, that is, the place where the souls of the just who died before Christ, and were yet in original sin, were awaiting their redemption.

What have we to expect from the resurrection of Christ?

That our bodies will rise again from death. (Rom. VIII. II) For if Christ our head is alive, then we His members must also become reanimated, because a living head cannot exist without living members.

What is meant by the Alleluia sung at Easter time?

In English Alleluia means Praise the Lord, and expresses the joy of the Church at the Resurrection of Christ, and the hope of eternal happiness which He has obtained for us.
