Consecration to St. Michael the Archangel

"At that time shall Michael rise up, the great prince, who standeth for the children of thy people."

-Daniel 12:1

Beautiful hardback book with full-color illustrations!

Now is the time for Catholics everywhere to consecrate themselves to the angel who stood, millennia ago, against Satan and vanquished him to the deepest region of Hell. Take up this ancient devotion to our most powerful angelic defender.

Over the course of the last century, as we measure the decline of civilization and faith, it is no surprise that the devotion to St. Michael has diminished. The removal of the Leonine prayers as well as St. Michael's name from the prayers of the Holy Sacrifice of the Mass leave little doubt that this glorious victor and powerful intercessor has all but been forgotten by the world.

This little book aggregates the history of devotions that have been offered to St. Michael and presents them once again to be used and spread throughout the world.

This Book Contains:

- Method of the Devotion
- Novena to St. Michael
- Acts of Consecration to St. Michael
- The Chaplet of St. Michael
- Litanies to St. Michael
- Novena to St. Michael
- Michael of the Morning Prayer
- Pope Leo XIII's Short Prayer to St. Michael

Consecration to St. Michael is a powerful weapon. Consecrating yourself to St. Michael is simply an act of dedicating yourself to his service, for which in return he offers you his help and protection. Such a consecration does not take away from a person's consecration to Mary or St. Joseph. Consecration to St. Michael only complements these highly recommended practices.
